Die bitteren Erfahrungen eines TrstehersVon Ein KundeDas Buch 'Watch my back' zu deutsch: Halte mir den Rcken frei, von Geoff Thompson, einem englischen Trstehrer, gewhrt einen einmaligen Einblick in den Beruf des Trstehers und

seine Gefahren. Thompson berichtet von seinem Job als Trsteher in den verschiedensten Clubs von Coventry, einer rauhen Arbeiterstadt in England. Ohne irgendetwas zu verherrlichen beschreibt er die vielen Auseinandersetzungen die er dort mit den unterschiedlichsten Menschen hatte, aber auch seine ngste und Gefhle. Doch trotz allen Ernstes dieses Themas, 'wrzt' er das Buch immer wieder einmal mit einer Brise Humor. Ich war von diesem Buch von der ersten bis zur letzten Seite gefesselt und kann es nur weiterempfehlen, besonders fr Leute die sich fr Kampfsport interessieren. Als ich es einem Freund zu Lesen gab, war dieser sofort der gleichen Meinung. 0 von 0 Kunden fanden die folgende Rezension hilfreich. Fascinating...absorbing Von Carina A good memoir is much more than entertainment. It inspires, teaches and if it's very good, it can change a reader's life. Geoff Thompson's biography can easily do both. Nothing fake about it like most current celebrity bios either. 1 von 1 Kunden fanden die folgende Rezension hilfreich. Total spannendes Buch Von xnay Geoff Thompson beschreibt ausfhrlich sein Leben und vor allem seine Zeit als Trsteher in England. Die Geschichten, die er zu erzhlen hat sind verdammt spannend und teilweise auch witzig und knnten aus einem Film stammen. Doch das Buch geht auch noch weiter und so verrt Geoff Thompson auch immer wieder Tipps bzw. Verhaltensregeln in Selbstverteidigungssituationen.

Kurzbeschreibung Watch My Back is the story of one mans search for courage. Depressed, bullied, intimidated by life and indoctrinated to believe that this was his lot, Geoff Thompson, on the verge of a breakdown, decided to fight back. In a bid to confront his fears, he took a job as a bouncer in one of Britains roughest nightclubs. Over the next ten years, he was involved in hundreds of brutal and bloody fights that left two of his friends murdered and many more in prison; he turned himself into a fearsome fighting machine. Geoff reached the top of his trade and became addicted to violence. Then it all changed. After nearly being killed in a gang attack, and almost killing one of his attackers, he was forced to reassess his relationship with violence. After writing down his experiences, Geoff discovered a flair for writing. This is the story of an ordinary man who faced his fears and took himself from bedsit to best-seller but very nearly got killed on the way. Geoff Thompson is now the author of over thirty books, a stage play and a BAFTA winning short film. Pressestimmen "Lenny McLean had the braun, Dave Courtney had the charm, but Geoff Thompson is in a class of his own." FHM '...it's Trainspotting time all over again. Or maybe make that Clockwork Orange time again.' BRITISH FILM magazine review of Clubbed "Kurzbeschreibung Watch My Back is the story of one mans search for courage.
