Encouraging / Inspirational!! Von Ein Kunde This was a very inspirational book. I am now ordering another copy because I loaned my original book out and it was lost. As a single mother - this book was very inspiring as to how God will supply all of my needs. You will want to read it over and over again!!

Kurzbeschreibung God is with you in the desert. Bishop T.D. Jakes gives you proof positive that God not only supplies you with everything you need, but your heavenly Father wants to bless you with refreshing water that will sustain you throughout any wilderness experience. According to Bishop Jakes, "Spiritually we must find a place where the Lord can minister to us in our wilderness-a place where He can instruct us about what to do next. The wilderness is a place of dying, where all the things that cause you to stumble in your walk with God are killed." Then will the lame leap like a deer, and the mute tongue shout for joy. Water will gush forth in the wilderness and streams in the desert (Isaiah 35:6). Find your special place in the wilderness where God will drench you in His life-giving water-you will break forth with a renewed and courageous spirit!
