Von Ev Hales : Watercolor: The Can Do Approach (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised Watercolor: The Can Do Approach (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. Gute BeschreibungVon Wolfgang WimmerKurze und gute Beschreibung der verwendeten Materialien und einiger Techniken um Aquarelle herzustellen. Ev Hales ist eine hervorragende Knstlerin und versteht ihr Handwerk. Es ist von Vorteil von ihr zu lernen.

KurzbeschreibungPainting with the watercolor medium is a partnership. You bring to the process your ideas and

images and the medium takes them to another place all together. You can fight the medium and try to contain it within set boundaries or you can work with it and find unexplored territory when it shows you other ways of making color sing on the paper. Being able to set the medium free is all about understanding what will and what will not hurt you. This small ebook is big on helpful, empowering advice that will put you firmly in the driver's seat - seat belt fastened - for the ride of your life. Do yourself a favor and read it before you start to paint with this medium that is literally alive at your finger tips.
