Von Lauren Murphy Payne : We Can Get Along: A Child's Book of Choices (English Edition) before purchasing it in order to gauge whether or not it would be worth my time, and all praised We Can Get Along: A Child's Book of Choices (English Edition):

Kundenrezensionen Hilfreichste Kundenrezensionen 0 von 0 Kunden fanden die folgende Rezension hilfreich. Wonderful - Easy for Kids to Understand Von Toni Barton I saw this book and didn't think anything of it, then I checked it out at the library and discovered that my daughter loved it (4 years old) and it brought up many discussions about herself and others. We love reading it together! I had to buy it because she kept wanting to check it out again, and again. 0 von 0 Kunden fanden die folgende Rezension hilfreich. A Great Book for Teachers Von Ein Kunde I used this book with my 1st graders. The ideas are complex enough that I could only talk about a few pages a day. However, it helped my students and me find a common language to explain appropriate behavior. Thank you.

Kurzbeschreibung Children need help learning how to get along with others at school, in the neighborhood, and on the playground. They need to know that they have the power to make good choices. In simple, affirming words and exuberant full-color illustrations, *We Can Get Along* teaches essential conflict resolution and peacemaking skills: think before you speak or act, treat others the way you want to be treated in a way that young children can understand.
