FANTASTIC BOOK...EVERY LINCOLN BUFF SHOULD READ IT !Von BSteadham@aol.com(Tim's Grandfather)This is a wonderful, very informative book. It's the only written collection of eye witness accounts ever published on the Lincoln assassination. Every Lincoln buff needs to add this one to his or her library.

From diaries, letters, depositions, affidavits, and periodicals, here is a collection of accounts from a variety of theatergoers - who by chance saw one of the truly pivotal events in U. S. history. Providing minute first-hand details recorded over a span of ninety years, We Saw Lincoln Shot explores a subject that will forever be debated. With a sharp focus upon the circumstances reported by one hundred actual witnesses, We Saw Lincoln Shot provides vivid documentation of a momentous evening and exposes errors that have been perpetuated as the assassination has been rendered into written histories.
