The only problem is: should have more pages ! It takes just few minutes to finish reading ..0 von 0 Kunden fanden die folgende Rezension hilfreich. Ein Traum fr Fans von Zitaten, klassischer Literatur, Illustrationen und Kalligraphie!Von elokubiDieses wundervolle Buch spricht Fans von Literatur und Kunst gleichermaen an. Auf ber 100 Seiten wird pro Doppelseite jeweils ein Zitat einer bekannten Protagonistin der Literatur mit wundervollen Illustrationen in Szene gesetzt, wobei auch der Text knstlerisch gestaltet ist. Bei den Illustrationen handelt es sich um farbige Aquarelle, welche aber trotzdem so unterschiedlich umgesetzt sind, dass die Zusammenstellung nicht eintrig wirkt.Die Auswahl der literarischen Figuren und ihrer Zitate finde ich sehr gelungen, wobei es sich zum Groteil um Figuren der klassischen Literatur handelt (z.B. Charaktere von Jane Austen, William Shakespeare, etc.).Zu diesem Schmuckstck

werde ich bestimmt knftig noch oft greifen, sei es zum Lesen der schnen Zitate oder zum Betrachten der schnen Illustrationen!0 von 0 Kunden fanden die folgende Rezension hilfreich. What Style!!Von Colorful GirlI am a BIG fan of Samantha's blog and her work so this book is a really nice little conversation piece for the coffee table. I love her rendering of the female head and all her poses she uses on her models and watercolor effects.....a keeper!
