Von Lindsay de Feliz : What About Your Saucepans? (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised What About Your Saucepans? (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. An excellent memoir with chuckles and unexpected happenings too.Von Julie HaighThis had a nice concise style, it was

so easy to read and so easy to like this book. It was the catchy title that first caught my eye, and it is relevant when it crops up, and gives a chuckle. There are lots of interesting elements in this memoir: Relationships, travel, moving abroad. And to a new location to me book-wise: The Dominican Republic. There are plenty of travel memoirs to Spain, France, Italy, Greece etc., but here we have a refreshing change. A totally different way of life. After originally thinking about having a holiday home in the Caribbean, circumstances change and Lindsay decides to leave her current life behind to become a sub-aqua diving instructor. She works in The Maldives, Menorca and eventually ends up in the Dominican Republic. The book starts off nice and light and is later action-packed as she is faced with a life-threatening situation. Photos are included - there's a black and white photo at the start of each chapter, and I thought it was a nice little touch to have the tiny pics of saucepans between scenes. An excellent read, highly recommended - I went straight onto her second book and it was every bit as good.

Mit viel Liebe und Leichtigkeit berichtet sie über urkomische Alltagsbegebenheiten, über ihren Berlebenskampf, nachdem sie angeschossen wurde und auch den Kampf, den sie gemeinsam mit ihrem Mann gegen Korruption und Armut führt. Für alle, die die Dominikanische Republik kennen ist dieses Buch ein "Muss". Aber auch Leser, die nicht mit dem Leben in der Karibik vertraut sind, wird diese spannende Erzählung fesseln!

Humor und Drama in einem Von Mirjam Rieger Als passionierte RD-Reiserin war dieses Buch für mich ein Muss - und ich lege es jedem ans Herz, der mehr über ein Land wissen möchte, das uns Deutschen so oft als das Paradies in den Kopf kommt. Urkomische und dramatische Situationen wechseln sich in den Schilderungen von Lindsay de Feliz ab, die ihr stabiles Leben in Europa gegen eines eintauschte, in dem sie sich letztlich verletzt und mittellos in einem Entwicklungsland wiederfindet - und ihren persönlichen Traum trotzdem nicht aufgibt. Fazit: lesenswert für alle Karibik-Fans, aber auch für diejenigen, die einmal hineinschnuppern wollen in das Leben in der RD.

Kurzbeschreibung Lindsay de Feliz walked away from an enviable lifestyle marriage, successful career, expensive holidays, designer clothes, fast cars to pursue her dream of being a scuba diving instructor. She could not have predicted the journey ahead when she arrived in the heat, sunshine and vibrant culture of the Dominican Republic. She found love, a ready-made family and despite being shot in a bungled robbery a desire to help the Dominican people, many living in abject poverty. She supported her husband as he ran for political office and with Lindsay by his side they were a formidable team. As the campaign gathered momentum, they learnt the hard way what happens when you oppose those in power. Fighting corruption, double-dealing and with their lives at risk, they were forced into hiding. Their incredible story is stranger than fiction and twice as menacing. The dark underbelly of the Dominican Republic is exposed, from the tourist beaches to the soaring mountains of the interior. Lindsay tells it how it is, but in the telling her deep love for the Dominican Republic, its culture and its people shines through. What About Your Saucepans? is not only essential reading for anyone moving to the Dominican Republic, it's also a damn good read. Lindsay de Feliz's fight against political corruption, being shot and almost losing everything is one of the most inspiring expat stories I have ever read. Jamie Morris, Founder, ExpatFocus.com Despite the incredible setbacks she has faced, Lindsay's love and loyalty for her adopted country radiate through this entertaining chronicle of her eventful life in the DR. Ilana Benady, co-author, Expat FAQs: Moving to and Living in the Dominican Republic (Summertime Publishing 2011) Lindsay's adventures in the DR will shock and amuse in equal measure, and her vast knowledge of the country makes this a hugely entertaining memoir. Shelley Antscherl, Book reviewer, Dutchnews.nl
