I live this series Von Ein Kunde Everyone goes on and about how the books are all the same plot from different perspectives but I like that. The characters assume things about others and are usually wrong. With this series you can understand the whole story. If Rachel Vail hadn't written "If You Only Knew" we would all hate Morgan. These characters have

soo many secrets if their wasn't a book on everyone's point of view, we would never understand the depth of the story.0 von 0 Kunden fanden die folgende Rezension hilfreich. Her book's are awesome! I can't wait to read more!!Von Ein KundeRachel Vail actually writes like it's coming from a 12-year old instead of an adult. They're so realistic and they stand out the way they're made too. My only complaint is that I wish that all of them were from Zoe's point of view. I like her the best. Anyway, Rachel Vail is one of the most talented authors I've ever read from, and I read a lot. Please write more books SOON!!!!!!
