inspiration and strength Von Helpful Advice What I Know For Sure, latest book by planetary popular host and actress Oprah Winfrey certainly is a work that her fans will immediately embrace and will surely find its way to the tops of sales charts. I had an opportunity to enjoy it in audiobook version and can certainly recommend that format compared to paper and e-book versions given the known quality of Oprah's voice one of the reasons that made her so globally known. And taking into account the theme of her book it becomes even more evident and makes what she's talking about more distinct and convincing. More or less what reader is expecting based on short summary it will be found inside/heard Oprah is sharing her views on living fulfilling life, becoming recognized and better person, embracing mistakes, hardworking and courage to chase our dreams, love and gratitude, choices to which we are exposed, fighting our fears and values for which it is worth fighting for. Therefore even if you are going through the hard period in your life and seek encouraging book that will give you inspiration and strength, What I Know For Sure is certainly something that can be helpful, a book from which one can learn or simply find solace, a work that can be recommended. 1 von 1 Kunden fanden die folgende Rezension hilfreich. Delightful! Von Rosa Frei A really delightful book. Powerful, filled with timeless wisdom, and love. Oprah's main goal and strength is to know herself, her heart and soul. That's one of the reasons that she connects so wonderfully with people. A book that gives insight to the thinking of one of the most successful women in the world, one that in her heart, is still a simple woman, a spiritual seeker, that is on a quest to find happiness and love for herself and the whole world.

Kurzbeschreibung As a creative force, student of the human heart and soul, and champion of living the life you want, Oprah Winfrey stands alone. Over the years, she has made history with a legendary talk show - the highest-rated program of its kind, launched her own television network, become the nation's only African-American billionaire, and been awarded both an honorary degree by Harvard University and the Presidential Medal of Freedom. From all her experiences, she has gleaned life lessons which, for fourteen years, she's shared in O, The Oprah Magazine's widely popular "What I Know For Sure" column, a monthly source of inspiration and revelation. Now, for the first time, these thoughtful gems have been revised, updated, and collected in What I Know For Sure, a beautiful cloth bound book with a ribbon marker, packed with insight and revelation from Oprah Winfrey. Organized by theme joy, resilience, connection, gratitude, possibility, awe, clarity, and power these essays offer a rare, powerful and intimate glimpse into the heart and mind of one of the world's most extraordinary women while providing readers a guide to becoming their best selves. Candid, moving, exhilarating, uplifting, and frequently humorous, the words Oprah shares in What I Know For Sure shimmer with the sort of truth that readers will turn to again and again. Pressestimmen Each essay provides a brief encouraging and thought-provoking reading moment. Gentle and supportive, while concise and sincere, these brief observations invite readers to five minutes of quiet contemplation.
