KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. Courtesy of Teens Read TooVon TeensReadTooWHAT IF...EVERYONE KNEW YOUR NAME is an interesting idea. It's a lot like those Choose Your Own Adventure books you read as a kid. The story is about Haley, a fairly average fifteen-year-old girl who has just moved to suburban New Jersey and is starting at her first public high school. She starts out

average, so that the reader can pretty much choose everything that happens to her as the story goes on. You make every little decision for her, even the ones that seem really minor, like riding the bus to school or getting a ride from her father. You decide who she wants to be friends with and what crowd she wants to be a part of. You decide everything about her. While an interesting idea, and fairly well-written, this book isn't for everyone. If you're all about finding out what will happen, this book might not be for you, because you decide what happens. It's a cool concept, though, and a fun read, especially since you can read it more than once, with a different story and outcome. The characters aren't particularly three-dimensional, but I guess they have to be simple enough so that it is believable that they would make any one of the very different choices you choose from. This book is fun, but not a must-read. Reviewed by: Jocelyn Pearce

Kurzbeschreibung Meet Haley Miller. Shes a 15-year-old girl of average height, average weight, and an average sense of style. Installed in her first public high school, Haley faces the toughest choices of her young life. And guess what? Shes all yours. In this interactive novel, readers lead Haley through the halls of Hillsdale High for better or for worse. Until graduation do you part. Do you guide her away from the pitfalls of peer pressure? Or into the vortex of bad boys and parties? Send her to homecoming with the captain of the soccer team . . . or have her skip the dance to go on a road trip with the hot rebel. Give Haley a makeover or teach her to love herself the way she is. Pick which crowd shell hang with. Tell her how often to do her homework. And decide whether she drinks or inhales. You determine her fortune. Her grades, her friends, her love life, her future. With Haleys many positive traits, you should have no trouble achieving success . . . or will you? Its all in the way you work, love, and play with Haley Miller, the girl with the most potential at Hillsdale High. From the Trade Paperback edition. Kurzbeschreibung Meet Haley Miller.
