KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. Courtesy of Teens Read TooVon TeensReadTooHave you ever wished the characters in your favorite novels made different choices?Should Haley spend a quiet New Year's Eve with the artistically inclined Devon, Shaun, and Irene, or hit Rich Haber's booze-soaked blowout attended by the cutie next-door, Reese Highland? How and where should she spend

spring break? Would you have her stay in town for a screening of her school art project? Or should she make nice with and (possibly) change the lives of the fallen-from-grace and currently troubled Queen Bees Coco and Whitney? Maybe you'd rather she get friendly with the neo-cool regime of Sasha, John, Cecily, Drew, and Reese by jetting to Paris. Or would you fly her to Spain alongside the school's premier brainiacs, couple Annie and Dean and heartthrob exchange student Sebastian Bodega? WHAT IF... YOU BROKE ALL THE RULES is an easy-breezy beach read that allows readers to dictate the novel's final outcome. Sure, there's not a lot of complication, or in-depth drama, but sometimes you just want to kick back, let your brain take a break, and enjoy the ride. Plus, the additional benefit of being able to retrace your steps and choose a different path should you find yourself dissatisfied with the outcome is sure to please. Reviewed by: Cat
