KundenrezensionenHilfreichste Kundenrezensionen1 von 1 Kunden fanden die folgende Rezension hilfreich. the beauty and importance of familyVon Ein KundeThis is an inspiring and wonderful book. Edith Schaeffer makes the reader love and appreciate the importance of family. It is a unique perspective. Each chapter describes the family in a different way. For example, there is a chapter called, "A museum of memories," which explains the importance of

making happy memories for your children and some ideas on how to do it. Another chapter is called, "A perpetual relay of truth." The chapter, "A shelter in a time of storm," makes one feel honored to be caring for a sick or needy family member. She has other chapters defining the family in other ways, including a place of education, an economic unit, etc. On the days I had time to read even just a bit of this book, I went about my tasks as a wife and mother joyfully and with contentment.
