Von Henri Daniel-Rops : What is the Bible? (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised What is the Bible? (English Edition):

Kundenrezensionen Hilfreichste Kundenrezensionen 0 von 0 Kunden fanden die folgende Rezension hilfreich.
Französischer Theologe Von Quintus N. Sachs Leider ist P. Daniel-Rops schon lange tot; er starb 1965. Er wute sein Ding, hat alles kurz und knapp hier zusammengefasst. Aufbau des Buches und Strukturierung in kurzen Kapiteln und Sub-Kapiteln von durchschnittlich maximal 2 Seiten empfand ich als angenehm. Einige Fakten sind leider nicht mit

auf Hhe der Zeit. Die bersetzung ins Amerikanische ist gut, fr den Leser mit maximal Schulenglisch jedoch zu schwer. Viele Wrter mute ich nachschlagen. Kein Buch zum "mal eben" durchlesen.

KurzbeschreibungSome people look at the Bible and see a collection of stories that teach us how to live good and happy lives. Others regard it more as a historical record of the Jewish and Christian peoples. Still others prefer to stress that Scripture is nothing less than the voice of God revealed to mankind. In this classic work you'll discover that the Bible is all of these things, and more. Written especially for average Catholics, who often find the Bible intimidating, What is the Bible? makes sense of the sprawling scope of Sacred Scripture. With patience, clarity, and great learning, beloved popular scholar Henri Daniel-Rops sheds light on the Bible's divine origins, its structure and content, its rich layers of meaning, and its place at the heart of Catholic doctrine and worship. What is the Bible? will show you: How the Bible went from the spoken word to the written word What divine inspiration means and what it doesn't Why some apostolic writings are in the Bible and others aren't Why some biblical stories resemble ancient myths and stories How the Bible relates to secular history and archaeology The right way to interpret miracle accounts in the Bible Three ways to understand the meaning of Scripture How to read and pray with the Bible regularly Plus much more to help you profit from God's written Word Don't separate yourself from the manifold treasures that Scripture has to offer you. Read What is the Bible? today and gain a deeper understanding of God's wisdom, and of the ways He has revealed Himself to us throughout history.
