KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. Seeing IS BelievingVon Cary A. CusumanoThe title of this book is appropriate because I found this book really implants in one's mind a real vision of what it must have been like to be at the foot of the cross 2000 years ago.It is a very quick read even when doing so prayerfully, since the imagery provided on each page truly makes one feel he is right there. One can feel the heat, hear the shouts of derision, see the flies as they buzz overhead.The book beautifully describes

the events surrounding the Crucifixion in a loving representation of what Jesus might have seen as he was raised aloft on the cross. As you read this prayerfully, place yourself at the foot of this cross and be with Him as you witness the vista of Jerusalem through His eyes.0 von 1 Kunden fanden die folgende Rezension hilfreich. KurzbeschreibungNever has there been spiritual reading as powerful as *What Jesus Saw from the Cross*, the book that will intensify your love of Jesus by burning the events of His Passion into your memory and imagination. Written early in this century by Rev. A. G. Sertillanges, a priest who lived in Jerusalem, this acclaimed devotional classic gives you vivid and dramatic details not included in the Gospel: With Jesus, you'll be jostled by crowds as you enter Jerusalem, choke on the dust of the narrow streets, experience the exotic oriental smells of the city at festival time, share the Last Supper with the disciples, stare into the face of Jesus' accusers, and be there as He dies on the Cross.Do you remember when Jesus begged His disciples to "watch one hour" with Him in the Garden of Gethsemane? With this book, you can watch not just one but many hours with Jesus. Read it slowly and prayerfully. The vivid details and the gripping narrative will soon take over: you'll find yourself engaged in a personal retreat, an interior pilgrimage, and a profound meditation on the love and sufferings of Jesus on the Cross. From Christ's Cross, you'll:Recall with Him the history of His people, while gazing lovingly on Mount Zion the "City of David" cradled within the walls of JerusalemSearch the faces in the crowd below, finding there the malice of enemies, the dismay of friends, and the indifference of so many othersFind comfort in the tender love revealed in the sorrowful face of His Blessed MotherLook across Jerusalem to the Mount of Olives, the road to Bethany, the Upper Room, the Garden of Gethsemane . . . and remember with Jesus the holy deeds He performed in each of these placesRecall the forty days in the desert, the marriage at Cana, the baptism by John, the calling of the Apostles, and the other events of His holy ministry, now brought to fearful consummation on the Cross.KurzbeschreibungNever has there been spiritual reading as powerful as *What Jesus Saw from the Cross*, the book that will intensify your love of Jesus by burning the events of His Passion into your memory and imagination. Sertillanges finds historical precedents for such events as the soldiers dressing Jesus as a mock king and casting lots for his clothes.
