A total life-changer!Von KundeI went through it with my partner and it totally changed out lives -- so much truth!We recommend to also listen to the audio sessions that are recommended. It gives the whole approach a

deeper dimension!Rick Warren is an exceptional spiritual coach!0 von 0 Kunden fanden die folgende Rezension hilfreich. Amazing!Von KundeI just love how there is a different topic for every day --Not only suitable for kids, but also adults. It really triggers the right thoughts.LOVE IT!1 von 1 Kunden fanden die folgende Rezension hilfreich. This is a book about GodVon NYCityRatIf you're not religious, don't buy this book! I didn't know. This is not even Christian philosophy, it's loaded with scripture and quotes from the Bible. I wasn't expecting that. It's not neutral. But it does offer comfort and the chapters about community are really well done.

KurzbeschreibungAn evangelistic booklet based on the first three chapters of The Purpose Driven Life..deThe spiritual premise in The Purpose-Driven Life is that there are no accidents---God planned everything and everyone. Therefore, every human has a divine purpose, according to God's master plan. Like a twist on John F. Kennedy's famous inaugural address, this book could be summed up like this: "So my fellow Christians, ask not what God can do for your life plan, ask what your life can do for God's plan." Those who are looking for advice on finding one's calling through career choice, creative expression, or any form of self-discovery should go elsewhere. This is not about self-exploration; it is about purposeful devotion to a Christian God. The book is set up to be a 40-day immersion plan, recognizing that the Bible favors the number 40 as a "spiritually significant time," according to author Rick Warren, the founding pastor of Saddleback Church in Lake Forest, California, touted as one of the nation largest congregations. Warren's hope is that readers will "interact" with the 40 chapters, reading them one day at a time, with extensive underlining and writing in the margins. As an inspirational manifesto for creating a more worshipful, church-driven life, this book delivers. Every page is laden with references to scripture or dogma. But it does not do much to address the challenges of modern Christian living, with its competing material, professional, and financial distractions. Nonetheless, this is probably an excellent resource for devout Christians who crave a jumpstart back to worshipfulness. --Gail Hudson.comThe spiritual premise in The Purpose-Driven Life is that there are no accidents---God planned everything and everyone.
