Insightful and Relevant! Von Ein Kunde Mark Hitchcock does an excellent job of interpreting current events and how they appear to relate to the end times prophecies. It is an excellent guide for anyone who is interested in getting the "big picture". Hitchcock deals with 9/11, Israel, globalisation and other topics to help the reader understand where this world is heading. The small book is concise, excellently written and biblical throughout. Hitchcock does not

exaggerate or over-interpret and his message is clear. There is nothing to fear, if you're ready!

KurzbeschreibungAs sensationalists and skeptics wreak havoc with the country's emotions, prophecy expert Mark Hitchcock provides a much-needed definition of what is meant by "signs of the times." Hitchcock discusses the current interest in prophecy caused by the 9/11 attack, presents Jesus' own forecast for the future of the world, and details five major global developments today that discernibly signal Christ's coming. This balanced, concise overview of the real signs of the times will clarify Christ's instructions challenging his followers to be alert in the final days. Readers will easily find and absorb the information they need to prepare for His return.From the Trade Paperback edition.
