Von Eileen Cook : What Would Emma Do? (English Edition) before purchasing it in order to gauge whether or not it would be worth my time, and all praised What Would Emma Do? (English Edition):

Kundenrezensionen Hilfreichste Kundenrezensionen 0 von 0 Kunden fanden die folgende Rezension hilfreich. Courtesy of Teens Read Too Von Teens Read Too Emma was raised by her single mom in a small town in the middle of Illinois. She goes to a private Christian high school which is socially ruled by the local minister's daughter, Darci. She has a damaged relationship with her best friend, Joann, and her boyfriend, Colin. Everything was going fine until at Christmas Emma and Colin kissed. Even though the kiss was in a mall in a different town, it happened right in front of Joann's mother. Now Emma runs track and wants to get a full ride scholarship to Northwestern University. She wants out. Then Darci and her BFF, Kimberly, do something outrageous and Emma is the witness. Should she tell what she

knows even if it means that she might lose her scholarship? She keeps trying to figure out what it means to do the right thing. I enjoyed this book very much. It has a great lesson about what is important, that being a person with a lot of integrity is more important than many other things in life. Emma has to do what is right and it is a scary thought. Read **WHAT WOULD EMMA DO?** It is one story that is going to stay with me for a long time. Reviewed by: Marta Morrison

Kurzbeschreibung While juggling friendship issues (her best friend isn't speaking to her), a love triangle-turned-square (okay, maybe she shouldn't have kissed her best friend's boyfriend...but it was totally an accident!...sort of), and escalating mayhem in her small religious town (uh-oh...what would Jesus do?), Emma realizes she has to stop trying to please everyone around her and figure out what she wants for herself. It's time to start asking, "What would Emma do?" **Pressestimmen** "What Would Emma Do? is a smart, witty, and genuinely real take on one girl's struggle to discern what she believes and take on the humongous decisions in her life. From the get-go, Emma's upbeat and self-deprecating attitude ensnares and entertains readers, making it easy for them to relate to her, even if they don't all come from small towns." --The Compulsive Reader Sassy and sly and sweet all at the same time, this book made me laugh out loud. --Meg Cabot, author of *The Princess Diaries* and *Airhead* Not since Judy Blumes Margaret introduced herself to God has there been such a funny, genuine, conflicted, wanna-be-sorta-good-maybe-later girl as Emma. Cooks tone as she takes on the big ones life, love, faith, and friendship is pitch perfect. --Jacquelyn Mitchard, author of *The Midnight Twins* and *The Deep End of the Ocean* "Smart and fun and full of heart." --Sarah Mlynowski, author of *Bras Broomsticks* and *How to Be Bad* "Cook keeps this book fresh with her smart and sassy protagonist....Emma's moral struggles and subsequent questioning of her born-again faith are touching and sincere. Fans of chick lit will appreciate this book." --SLJ **Pressestimmen** "What Would Emma Do? is a smart, witty, and genuinely real take on one girl's struggle to discern what she believes and take on the humongous decisions in her life.
