KurzbeschreibungAn inspirational true story of one woman who embarked on a remarkable solo bicycle journey across the world. Having grown up in the patriarchal Balkan country of Serbia, she made the decision at the age of 40 to step out of her familiar and comfortable world to follow her dream to live free, as a writer. She set off on a world tour, with her bicycle and a partner whom she barely knew, with hardly any money and absolutely no experience. Living the life of a nomad, she faced many challenges both physical and emotional. Ultimately she found herself alone in the middle of nowhere, with just her bike for company, but she did not give up. Read her tale of courage, adversity and the kindness of strangers.
