Vision Inspiring, Faith Challenging and Real Life PracticalVon Todd HudnallIf your looking for a church growth book containing new innovations, slick marketing techniques or cutting edge theory, "When God Builds A Church" is not the book I'd recommend. Instead, Bob Russell relates ten basic principles for healthy church growth that have been

tried and proven extremely effective in the laboratory of the local church. Southeast Christian Church is a church Christ is using to make a big difference in their community and one other churches should learn from. Though Bob argues for his personal preference in worship style and church government, the emphasis of the book is a presentation of universal principles for effective church ministry. Within the ranks of Bible-believing Christians, "When God Builds A Church" is very inclusive and non-sectarian. The book is vision inspiring, faith challenging and "real life" practical. The best thing about the book is that it leaves you believing if God can do something great through Bob, He can do something great through me. I highly recommend the book to all pastors and church members wanting to grow a healthy and effective church.

Bob Russell tells you in this book how to grow your church in plain English. His methods turn out to be biblically based management methods that you would recognize in a business management course, but here the Bible is giving you insights on how to build your church. This book should be read by every Pastor, elder, deacon, lay leader and church member who has the least interest in helping God grow the church. These principals are rock solid, easily understandable and to the point. Just Plain Bob gives you the information straight from the heart. He's been there and done that. He's failed a bit and succeeded quite a bit, with God's help. Moral of the story; if you have great faith and these basic skills, you and God can move mountains. I really liked this book, I started reading it and couldn't put it down. I kept saying "Wow, I can do that." So will you.

When God Builds A Church Von Barry Cameron If you liked the Purpose Driven Church by Rick Warren, you're going to love WHEN GOD BUILDS A CHURCH by Bob Russell. This is destined to be a classic and a "must-have" book for every pastor and church leader in America. After you've read the book you'll want to visit the Southeast Church in Louisville. But, be prepared...you'll never be the same again.

**Kurzbeschreibung** Pastor Bob Russell shares the ten principles upon which Southeast Christian Church, one of the largest and fastest growing churches in America, was founded. He shares not only the story of one of the most amazing churches in America, but also what your church can become if you follow the principles and allow God to build your church. Can the church truly be the "city on a hill that cannot be hidden" that Jesus talked about in the Sermon on the Mount? Can it grow large enough to attract throngs of seekers and yet be loving enough to care for each individual that comes? Bob Russell, pastor of Southeast Christian Church one of the largest and fastest growing churches in America says that it most certainly can. But it can only be done when we are submissive to God's will and allow Him to build that church. In the pages of this far-sighted, uncompromising book, Bob Russell and his son Rusty share the ten principles upon which this remarkable church was founded. Throughout the book, you will see God's mighty power at work in a church that began in 1962 with only 50 members and has now grown to over 14,000 and has become a bustling "city on a hill" whose beaming faith powerfully impacts its community and the world. This book shares not only the story of one of the most amazing churches in America but also the story of what your church can become as you follow these ten time-tested principles and allow God to build your church.

ber den Autor und weitere Mitwirkende God has blessed Bob Russell with a life much different than one he could have ever imagined. As a young man growing up in northern Pennsylvania, Bob had intended on becoming a high school basketball coach in his hometown. During his senior year of high school, however, Bob realized a desire in his heart to enter the ministry. Soon thereafter, he enrolled in Cincinnati Bible Seminary where he graduated in 1965. At just twenty-two years of age, Bob became the pastor of Southeast Christian Church in Louisville, Kentucky. Today that small congregation of 120 members has become one of the largest churches in America, with 18,000 people attending the four worship services every weekend. Bob and his wife Judy have been married for forty years. They have two married sons who live in Louisville and are active at Southeast, and six grandchildren with whom they enjoy spending their time. An accomplished author, Bob has written over one-dozen books. He also has a weekly column in The Lookout, a

magazine printed by Standard Publishing. A highly respected speaker, Bob is heard weekly on the Living Word, a nationally syndicated radio program. In his leisure time he enjoys playing golf and is an avid University of Louisville basketball fan. Bob Russell's gift of humor and insight, along with his unyielding commitment to honesty and integrity, will inspire the hearts of those who listen to consider Biblical truths as they relate to life in contemporary culture. Rusty Russell is an associate minister at Southeast Christian Church, where his father, Bob Russell, is senior minister. As a member of the preaching staff, Rusty works behind the scenes in sermon preparation, research, and writing. He is a graduate of Cincinnati Bible College and Seminary and is pursuing a master of divinity at the Southern Baptist Theological Seminary. Before coming to the staff of Southeast, Rusty served as a preaching minister, teacher, and Christian school administrator.
