church today have come about because we lack revelation regarding this foundational truth. Oral Roberts wrote the forward and said, "A thrill went through me as I realized anew by reading Tim's precious words that I am covered by the blood of my personal Savior, Jesus Christ. Every believer needs this powerful reminder!" If Oral thought that much about it, shouldn't you order it?

Kurzbeschreibung Why is it that modern-day Christians have chosen to virtually ignore the message of the blood of Christ? Why is it that this all-important theme is not being preached more, sung more and taught more these days? Could it be that the enemy of our souls is trying to silence a message that is most important to the welfare of our souls and our continuing victory as Christians? With convincing authority, Tim Bagwell declares that the age-old message of the blood is still valid for our time and that many of the false doctrines that have invaded the church today have come about because we lack a revelation regarding this foundational truth.
