Von Margaret Brazil : When Spirits Hold My Hand (English Edition) before purchasing it in order to gauge whether or not it would be worth my time, and all praised When Spirits Hold My Hand (English Edition):

Kundenrezensionen Hilfreichste Kundenrezensionen 0 von 0 Kunden fanden die folgende Rezension hilfreich. Schnes Buch Von kitschfee Ob man es nun glaubt oder nicht - das Buch ist auf jeden Fall interessant, spannend und gibt genug Anreiz das eigene Weltbild zu berdenken. Ich habe es in Englisch gelesen, es ist sehr einfach verstdlich und eine gute Einschlaflektre. Ich lese normal nur wenige Bcher komplett fertig, dieses habe ich innerhalb von 4 Tagen komplett

"verschlungen".

Kurzbeschreibung Margaret Brazil had her first psychic experience, seeing a room full of spirits late in life. Now 62 years old, spirits utilise her in every way to convince the people who come from all over the world to see her that they are present, and that they are very real. Margaret is an ordinary woman who, over the last 15 years, has developed her special gift, a gift that she believes we all possess. The people who knock on her door receive healing through the words of others in the next world. When Spirits Hold My Hand is a moving and at times hilarious account of Margarets encounters with the spirit world, and is filled with stories from the hundreds of people whose lives she has touched. Each spirit has something to tell their loved one, and Margaret is their link. There is the story of the missing woman whose body was found after Margaret saw an image of the place where she died; or the mother who came back to comfort her son and relieve him of the pain of the abuse he had suffered; and then there was the Irish soccer fan who insisted on waving an Irish flag from beyond the grave!
