Tolle Fotos, keine Luxusqualitt fr ein Coffee Table BookVon E. PrillwitzDie Druck und Foto Qualitt konnte mal besser sein. Ich hab selbst 3 Bcher veroffentlich und ich kenn wie die Fotos bearbeiten muss und wenn ein Foto nicht gross genug ist, einfach in bessere Qualit't scannen und nicht fast pixelig benutzen. Auch, wenn Pat Houston (sister in law, managerin and Freundin von Whitney) so viele Fehler mit Daten und Datum macht, es sieht dass sie hat

das Buch nur schnell gemacht um etwas Geld zu machen. Zeit wann heit das Album "Your love is my love"? Bitte, besser 1 Monat lnger dauern zu veroffentlich als solche Sachen machen. Trotzdem, Whitney war auch der Hammer vor der Kamera und nicht nur vor der Mikro.

Kurzbeschreibung Whitney Houstons extraordinary voice made her a star. Her beauty, style, and spirit made her an icon. In this magnificent collection, more than twenty of the worlds top photographers have joined together to celebrate the brilliant woman they were privileged to capture through their camera lenses. These photographs are a testament to Whitneys dazzling physical presence, but they also remind us that she was a multidimensional woman: powerful, vulnerable, commanding, enchanting, thoughtful, bewitching . . . and absolutely unforgettable a singer whose smile was as bright and true as her voice. Curated by renowned photographer Randee St. Nicholas, these images, which span thirty years of Whitney Houstons career, are a fitting tribute to a legendary recording artist, style icon, and devoted mother, who touched millions of lives by doing what she loved.
