Holtzman's book is excellent. Von Ein Kundeshocking, informative, gripping and deeply moral. This is a must for fans of liz's or anyone interested in an absolute innovator in women's politics. Wow!

Kurzbeschreibung A tour through America's changing political climate is seen through the career of former U.S. congresswoman Elizabeth Holtzman, the youngest woman ever to be elected to Congress, and shares her personal experiences and theories about modern government. Skyhorse Publishing, along with our Arcade, Good Books, Sports Publishing, and Yucca imprints, is proud to publish a broad range of biographies, autobiographies, and memoirs. Our list includes biographies on well-known historical figures like Benjamin Franklin, Nelson Mandela, and Alexander Graham Bell, as well as villains from history, such as Heinrich Himmler, John Wayne Gacy, and O. J. Simpson. We have also published survivor stories of World War II, memoirs about overcoming adversity, first-hand tales of adventure, and much more. While not every title we publish becomes a New York Times bestseller or a national bestseller, we are committed to books on subjects that are sometimes overlooked and to authors whose work might not otherwise find a home.
