plan for marriage, even ours.....Von sturner@olemiss.edu While waiting for our divorce to become final, my husband of 25 years and three children later suggested we spend some time together. After praying and fasting in anticipation of our time together, I spent the day with him. He told me that he had read a book that was recommended to him and thought we might read it together. He said that we had tried marriage my way, his way, any way but God's way and that without His way, our marriage would not survive. We knew what God wanted for us. We could not plead ignorance. We took turns reading "Whole Marriages" to each other, chapter by chapter then discussing how we had related to each other and how we should have related God's way. Your book served as a catalyst for us to turn our marriage around and be obedient to what we had committed ourselves to years ago when we said "I do"!

Kurzbeschreibung What makes a thriving marriage that reflects Christlike love? Gary Inrig helps you draw on the Scripture and his own marriage of 40 years to give you tools for a successful and rewarding marriage. Gary uses real-life and biblical stories to illustrate God's design for a healthy marriage, opening your eyes to get a vision of a satisfying and God-honoring covenant. Whole Marriages in a Broken World addresses the issues of a satisfying marriage such as commitment, communication, forgiveness, servanthood, and more.

Whole Marriages in a Broken World addresses the issues of a satisfying marriage such as commitment, communication, forgiveness, servanthood, and more.

Buchrckseite This may be the most challenging time and culture in history in which to build a marriage that not only endures but becomes a source of love, fulfillment, and growth. Cynics say marriage is a doomed institution, a relic of an outmoded era. But nothing could be further from the truth, writes Gary Inrig. Thriving, loving, satisfying marriages can be had if we will only listen to and learn from God's Word. In this penetrating book Inrig draws upon biblical stories to illustrate God's design for a healthy marriage. As each chapter unfolds, you'll regain a vision for a happy marriage, renew your commitment to your spouse, and reclaim ground lost to the erosion of "creeping separateness." Whole Marriages in a Broken World will open your eyes to the necessary ingredients of a satisfying marriage, including: - The "glue" of covenant commitment- The "oil" of communication- The freedom of forgiveness- The sacrifice of servanthood- The God-given blessing of marital sex

God's created order and the institution of marriage are under attack today. But there is hope, writes Inrig, and that hope is Christ. Read and discover for yourself the joyful fact that through Christ there can be whole marriages in a broken world.
