**Von Robert Kraus : Whose Mouse Are You? (Aladdin Books) (English Edition)** before purchasing it in order to gage whether or not it would be worth my time, and all praised Whose Mouse Are You? (Aladdin Books) (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. Uniquely "memorable" children's bookVon ahpook@clark.netLooking at the other reviews herein, I was pleased to find that it holds a similar place in others' hearts and memories. I could recite the book word-for-word when I was three. Now I'm. . . well, late-20s, and hold no fonder memories of childhood than my recitations of these words of Robert Kraus. What better gift could I offer my nieces and nephews than this?Much thanks and high kudos to the author!0 von 0 Kunden fanden die folgende Rezension hilfreich. My first and favorite book.Von vache\_chouette@hotmail.comMy parents read this book to me when I was young and when I was around three, I could reicte the whole thing from memory and then claimed that I could read it. It gave me the confidnce to really

learn to read. It is an amazing book that every child should read. I'm seventeen now and it's still my favorite.0 von 0 Kunden fanden die folgende Rezension hilfreich. A Family StapleVon KawcrowThis was both my sister's and my favorite book when we were little--the first and last thing we ever agreed upon! :-)) Ten years later I can still recite the book word-for-word, and it makes me smile every time I think about it. The illustrations are colorful and unique, and the little mouse is so CUTE!

KurzbeschreibungA lonely little mouse has to be resourceful in order to bring his family back together.From Publishers WeeklyAlso celebrating an anniversaryAits 30thAis Whose Mouse Are You? by Robert Kraus, illus. by Jose Aruego. Minimalist art and memorable text are more than the sum of its parts: "Whose mouse are you?/ Nobody's mouse./ Where is your mother?/ Inside a cat," it begins forlornly, but reverses into a joyful ending, with the mouse reuniting his far-flung family and gaining a new brother. (SS, \$17 40p ages 3-7 ISBN 0-689-84052-7; Sept.) Copyright 2000 Reed Business Information, Inc.PressestimmenKirkus s The quintessential picture books can't be plotted out or put into any other words; ergo,"Whose mouse are you?/Nobody's mouse./Where is your mother?/Inside a cat./Where is your father?/Caught in a trap..." But that's all we'll tell you -- the ending is too good to give away...School Library Journal ...[O]ne of the simplest -- and best -- picture boks to come along in years...The Horn Book ...[A] story-hour treat...Booklist ...[A]n absolute charmer...
