Von nigel barber : Why Atheism Will Replace Religion: The triumph of earthly pleasures over pie in the sky (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised Why Atheism Will Replace Religion: The triumph of earthly pleasures over pie in the sky (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen4 von 5 Kunden fanden die folgende Rezension hilfreich. berzeugend und umfassendVon Matthias KrauseVordem Lesen dieses Buches konnte ich nicht glauben, dass die Religisen innerhalb einer Generation weltweit in der Minderheit sein wrden. (Barber behauptet nicht, dass Religion bis 2041 verschwindet, wie flschlich gemeldet wurde.) Es fillt mir immer noch schwer zu glauben, aber Barber argumentiert berzeugend.Ich kann das Buch Glubigen wie Nichtglubigen nur empfehlen, es ist in vielerlei Hinsicht interessant und gut geschrieben.Inhaltlich htte das Buch 5 Sterne verdient, aber der Text ist voller Tippfehler und die Konvertierung ins E-Buch-Format unsauber. Nicht so, dass es die Lesefhigkeit beeintrchtigen wrde, aber eben auffllig genug, dass 5 Sterne m.E. nicht mehr gerechtfertigt sind. Hoffentlich wird das bei einer Neuauflage abgestellt.

KurzbeschreibungWhy Atheism Will Replace Religion sees organized religion as a dodo. Religion evolved to help our ancestors cope with anxiety and insecurity. Supernatural belief is in decline everywhere that ordinary people enjoy a decent standard of living and are secure in their health and finances. The market for formal religion is also being squeezed by modern substitutes such as sports and entertainment. Even Facebook is killing religion because it provides answers for peculiarly modern narcissistic anxieties for which religion has no answer. This book focuses on the emotional benefits of religion that favored its evolution amongst hunter gatherers. It links the cause of religions

emergence with the reason for its terminal decline. The writing style is similar to the authors popular blogs on Psychology Today and Huffington Post.
