Von Maryrose Wood : Why I Let My Hair Grow Out before purchasing it in order to gage whether or not it would be worth my time, and all praised Why I Let My Hair Grow Out:

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. Courtesy of Teens Read TooVon TeensReadTooGold Star Award Winner!When Morgan's life sort of crashes and burns, and she cuts off all of her hair and dyes what remains orange, her parents freak out. For some reason, they decide that what she needs is to go on a biking tour of Ireland. Of course, Morgan thinks they're insane, but she has no choice in the matter, so it's off to the land of leprechauns and shamrocks for her!Her trip turns out to be way more than Morgan bargained for when she hits her head and finds herself in some sort of fantasy world hundreds of years in the past.

Yeah, you read that right. She's not just in the land where so many myths come from; she's living out those old fairy stories herself. Both the fantasy parts of the story and the real, modern-day parts of Morgan's life are amazing! The fantasy felt a little weird to be stuck in at first, but that just shows how completely great the more contemporary part of the book was. **WHY I LET MY HAIR GROW OUT** is definitely a page-turner. I loved Maryrose Wood's first book, **SEX KITTENS AND HORN DAWGS FALL IN LOVE**, and this one is even better (and very different). I absolutely loved the characters; all of them are very interesting and three-dimensional. This is a funny, smart book that readers are sure to love! Reviewed by: Jocelyn Pearce

Kurzbeschreibung Being sent to your room is one thing. But being sent to another country? Morgan's boyfriend dumped her on the last day of school-it seemed the only thing to do was to hack off her hair and dye the stubble orange. Unfortunately, Morgan's parents freaked and decided a change of scenery would do her good. So they're sending her off on a bike tour of Ireland. But Morgan gets more than she bargained for on the Emerald Isle-including a strange journey into some crazy, once upon a time corner of the past. There, she meets fairies, weefolk, and a hunky warrior-dude named Fergus, and figures out that she's got some growing to do-and she doesn't just mean her hair.
