**Von Les Stroud : Will to Live: Dispatches from the Edge of Survival** before purchasing it in order to gage whether or not it would be worth my time, and all praised Will to Live: Dispatches from the Edge of Survival:

KundenrezensionenHilfreichste Kundenrezensionen0 von 1 Kunden fanden die folgende Rezension hilfreich. Vom berlebenVon eBooksThomasWill to Live: Dispatches from the Edge of Survival Les Stroud ist der "survivorman". Man kann ihn in vielen einschlgigen Fernsehfilmen bewundern. Auch in Bchern hat er seine Extremsituationen beim berlebenskampf in Urwldern oder Eisesklte beschrieben. Das muss man nicht unbedingt mgen. Hoch informativ ist

allerdings sein neues Buch "Will to Live". Hier untersucht Les Stroud nun berlebenskmpfe, in die Menschen ungewollt geraten sind. Natrlich stehen ihm als Dokumente die Zeugnisse der berlebenden zur Verfugung. Sehr spannend und detailliert beschreibt er, welche unterschiedlichen Strategien verschiedene Personen, Abenteurer am as, berlebende des legendren Flugzeugabsturzes in den Anden oder in Not geratene Weltumsegler, in Extremsituationen entwickeln, was letztendlich ihr berleben sicherte. Wer, wenn nicht Les Stroud, kann das beschreiben. Und warum berlebten die beschriebenen Menschen schlielich? Nach Stroud luft es immer wieder auf dasselbe hinaus...Pflichtlektre fr Menschen am Scheideweg.

Kurzbeschreibung In a survival situation, a wrong decision could spell the difference between life and death. No one knows this better than Les Stroud, who has survived everywhere from the sun-scorched sands of the Kalahari to the snake-infested jungles of the . In Will to Live, Les examines many incredible true life survival stories explaining what happened and why, and offering valuable perspectives on what went right, what went wrong, and what could have been done differently. The tales in Will to Live include: Chris McCandles the subject of the book and movie Into the Wild. Yossi Ghinsberg who survived alone in the for twenty-one days. Douglas Mawson the Antarctic "superman" who survived three hellish months at the bottom of the planet. Nando Parrado who was trapped for two months high in the Andes after a plane crash killed his friends and family. Plus . . . stories from Les's own experiences, along with practical sidebars with tips on how to escape quicksand, butcher a moose, cross a snow-covered crevasse, and more. Provocative and entertaining, Will to Live is a compilation of history's most intriguing survival stories from one of the world's foremost experts.
