sherylval@aol.comVon Sheryl ValentineI loved this book and promptly ordered all his other ones. Whether you are atheist, agnostic, spirtual, etc. this book will open a window to your soul. I am a Chiropractor, a writer and lecturer on

spiritual principles and read over 120 books a year - I think Ken Gire is one of the best writers I have ever read. This morning I began his book *The Reflective Life* - as I tore myself away from it to get ready for work - I reflected again on what a great writer he is. In *Windows of the Soul* he talks about his "dark night of the soul" so to speak, in regard to his passion for writing - thank God he stuck with it for spiritual writing is truly his calling - His writing is profound, humble, simple and stirs the heart. Read this book - you won't be sorry. 1 von 1 Kunden fanden die folgende Rezension hilfreich. challenging and inspiring Von Ein Kunde *Windows of the Soul* is a challenging book on the little things our God uses to show us His will and way. Ken uses great imagery and illustration to keep the reader involved through every page. As one reads this book, he sees an entirely new perspective emerge from his imagination, and is challenged to look at life in a completely new way. Ken unfolds a world of wonder right before the reader's eyes, and tells how the reader can make that world remain just by looking at the "Windows of the Soul" that God brings into our lives. This book is definitely one of the top 5 I have ever read. 1 von 1 Kunden fanden die folgende Rezension hilfreich. Poetic realism Von CD Eans Ken Gire in this book writes from his heart. There is a certain reality that comes alive in the stories, experiences and symbols that he presents through the words, something that if you read, think and visualise, would stir something deep and challenge one to reach beyond self into the very heart of the One who made us. Read this book in a reflective and forward-looking manner and it is likely to change your perspective and notion of how one typically relates to God.

Christian Courier Synopsis Ken Gire calls us to a fresh sensitivity to God's voice speaking through the unexpected parables that surround us: a child's need for significance, the misunderstood sadness of a van Gogh masterpiece, the eloquence of sunlight dancing on water. Gire points to a world infused with the voice of the One who can transform our backyard shrubs into burning bushes lit by his presence. His voice penetrates the raw material of our daily lives, speaking through Scripture and prayer, a painting or a poem, the remark of a friend or a night sky filled with stars. "*Windows of the Soul*" will open your eyes to a fresh way of seeing, hearing, and enjoying the presence of God in your life.
