Für jeden Kletterer / Alain Robert-Fan Von SwissKiwi1 Dieses Buch ist für jeden, der inspiriert werden will vom besten Kletterer der Welt. Alain ist für mich hier der beste Athlet der Welt, niemand kann was er kann! Er hatte schlimme Verletzungen, ist jedoch immer noch am Wolkenkratzer klettern, er ist ein klinisches Wunder, um so zu klettern, mit solchen schlimmen Verletzungen, wie auch immer er es macht, er schafft es jedes Mal, bei seinem 'Job' den ich den gefährlichsten

`Job`nenne der welt,ein wahnsinns typ, wrd ich jedem empfehlen.

Kurzbeschreibung Overcoming vertigo and countless injuries which left him officially 60% disabled the 'Real Spiderman' has scaled over 70 skyscrapers worldwide: from the Petronas Towers in Malaysia to Taipei 101, from Chicago's Sears Tower to Canary Wharf in London. Reward and punishment have been received in equal measure the flamboyant Frenchman has gained international fame and raised thousands of pounds for charity, but has also been arrested, beaten and prosecuted. Many people ask whether it is madness to undertake such perilous ascents without using safety equipment. But in Alain Robert's view, it is madness not to follow your dreams! This is the inspiring story of a man who has conquered fear and exceeded his own limits: the world's greatest urban climber.
