Von Marie Killilea : With Love from Karen (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised With Love from Karen (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. bigoted and missionaryVon SteffAs a child I read "Karen" and was interested in the continuation of the story but soon became repelled by those people who make deals with a God (a child that forces herself to eat something she disgusts because

she thinks that God will help somebody to recover at a faster pace), pray, fast etc.0 von 0 Kunden fanden die folgende Rezension hilfreich. With Love From KarenVon Lisa BlackI thought this book was a wonderful book. It showed a family that struggled through hard times but pulled together. They could always count on each other for love and support. It was great to read about how they drew upon their faith to get them through the hard times. It was inspiring to read about Karen's triumph over her handicap. I would like to find out what happened to the family. I have read through these reviews that Marie and Jimmy were divorced and that Marie probably died from lung cancer in the 1980's. If anyone has further information or knows where to look, please e-mail me.0 von 0 Kunden fanden die folgende Rezension hilfreich. Please Reprint!Von Pam"Karen" and "With Love From Karen" have been a part of my life since junior high (and I have kids older than that now). These books have probably educated more hearts than anyone will ever know. My own copies are without covers and tattered, but I wouldn't part with them for anything.I just can't buy the divorce story--it has to be a mistake.These books are needed by this generation, "With Love From Karen" needs to be available again in print.Like everyone else, I really would like to know what happened to all the family.

KurzbeschreibungThe Killilea family returns in the heartwarming sequel to national bestseller KarenWith Love from Karen picks up five years after the conclusion of Karen, the miraculous and true story of a girl with cerebral palsy who triumphed against all odds. It follows the Killileas through Karens teen years and into adulthood. Karen and her family continue to face seemingly insurmountable obstacles: They must fight for Karens right to attend public school, support Karen in her dream to raise and exhibit champion show dogs, and encourage her in her decision to use a wheelchair or walk on her own. Once again, the Killilea family proves that the power of faith, love, and courage in the face of adversity can make miracles happen.
