Von Jason Aaron : Wolverine: Weapon X Vol. 3: Tomorrow Dies Today before purchasing it in order to gage whether or not it would be worth my time, and all praised Wolverine: Weapon X Vol. 3: Tomorrow Dies Today:

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. Marvel's Terminator-VariationVon KundenrezensionenCap is back and so Logan takes him on a bar-srawl around the world with Kurt Wagner as the designated driver. While the two old war-horses swap stories and insults a group of Deathlok-Cyborgs goes around and kills people because of the kind of offspring they might produce. Finally in one bar a clair-

voyant waitress calls the two heroes for help against these attacks. Some decades later ROXXON rules the world - and beyond - and enforces its interests with the help of their Deathlok-squadron which they even send into the past to minimize dangers to the company. And Captain America - in both versions - is quite high up in the target-hierarchy. Deathlo-Cyborgs as Terminator-equivalents and superheroes as enemies to the company-bottomline. Interesting combination. After the main-story, there is quite a thoughtful piece about Logan's reaction to Kurt Wagner's death and Kurt's last will and testament. The last story in the Weapon X-facility is a bit too camp for my taste, which is why this volume loses one star.

Kurzbeschreibung Collects Wolverine Weapon X #11-16 Dark Reign: The List -- Wolverine. It's the debut of an all-new, all-different Deathlok. Killer cyborgs have come from the future to kill the heroes of today, while Wolverine embarks on an international pub crawl with a certain recently reborn Sentinel of Liberty. Beer and bullets galore! Kurzbeschreibung Collects Wolverine Weapon X #11-16 Dark Reign: The List -- Wolverine. It's the debut of an all-new, all-different Deathlok.
