Is this what LIFE feels like?Von Ein Kunde"You shall know the truth, and the truth shall set you free!" (John 8:32) Bishop Jakes has been blessed with the ability to crawl into the heart and mind of a woman and know what she needs to hear from the Lord. In all the years I have been walking with the Lord, I have never learned to listen to God's truth. Lies are

so much easier to believe. They are comfortable...They become credible...They corrode your heart...They consume your life. This book shined the light on the truth of God in a way that I finally understood. I can now say, with great relief and gratitude..."I AM LOOSED!!!"0 von 0 Kunden fanden die folgende Rezension hilfreich. Compassionate and Insightful!Von Ein KundeThe Lord brought me to this book to begin healing my brokenness. I have spent years searching for something to remove the pain and mend that which was broken. This book had a tremendous impact in my life and enabled me to release myself from the ugliness I felt inside. Immediately after reading this book, the Lord delivered me and crucified the core of my brokenness. I have freely and joyfully forgiven those hurts and feel like a whole new woman today. Praise the Lord! This book was truly a miracle and I plan to read the sequel; "Daddy Loves His Girls"0 von 0 Kunden fanden die folgende Rezension hilfreich. Refreshing, Renewing, RevivalVon Ein KundeThis book was truly a blessing for the christian and non-christian woman. It is truly a book I will keep on my self for renewal. It's a book for the young woman who is seeking God's face in her life, it's for the middle aged woman who has been through and as always gotten bruised, it's for the older woman who has seen God's face. T.D. Jakes has a ministry for healing, one that is truly in the healing of women. I thank God for him, for using him to touch broken spirits.
