KurzbeschreibungWORD 2013: TIPS AND TRICKSThis is a short book, which is only about 15 to 20 pages long. It targets specific tips and tricks that are new to Word 2013. It also has a few tips from previous editions of Word. The reason I wrote this book is many people I talk to are not aware of these simple methods to improve the writing

process. If you find one helpful idea, it's worth 99 cents. Kurzbeschreibung WORD 2013: TIPS AND TRICKS This is a short book, which is only about 15 to 20 pages long.
