I have recommended this book to all my conference students.Von Ein KundeThis book is a valuable tool for any writer, and I have been recommending it to all my students here at the Iowa Summer Writing Festival. Teachers, especially those who work with beginning creative writers in a community setting, will find the incredible exercises listed at the end of each chapter invaluable. I find myself asking, why didn't I think of that one? The examples she uses to illustrate her comments on using all five senses are drawn from the classics and from contemporary sources, all chosen for Virginia Woolf's "common reader." The language is very readable and approachable; and the charm and enthusiasm of the

writer comes through. This is the best teaching tool I have bought in years.4 von 5 Kunden fanden die folgende Rezension hilfreich. One of the bestVon Suzanne Elizabeth AndersonThis is one of the best books on improving your writing skills. Ms. McClanahan's writing style is inviting and reassuring. Both beginners and experienced writers will benefit from her instruction on how adding descriptive elements will enrich the reading experience for our target audience and make us better writers.3 von 5 Kunden fanden die folgende Rezension hilfreich. Keeping the pencil sharpVon Karon LuddyThis book has been a godsend to me. It's been enormously helpful in doing the final edit of my novel. Reading it made me feel like I had my own personal editor. The conversational tone of the book is inviting, nurturing, and encouraging. Any discussion of point of view usually makes me groan, but the way Rebecca McClanahan writes about it is exceptionally sane, enthralling even.The author is a master teacher, writer, and reader. Rebecca McClanahan is generous in sharing the secrets of her fine craft.This book would be fabulous for intermediate to advanced writers to read at least once a year to help keep the pencil sharp. The writing exercises are provocative and creative.This book showed me many things I would never have learned on my own. It made me want to be a better writer.
