KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. Great book to have for anyone who loves words and linguistics!Von SkidsCan recommend this to anyone interested in language, linguistics and/or teaching.Delivery etc. great. Just love David Crystal- he's one of my favourite philologists.

KurzbeschreibungDid you know that the English language has over 150 words for the adjective 'drunk' developed over 1,000 years? Be prepared to learn words you have never heard before, find out fascinating facts behind everyday words, and be surprised at how lively and varied the English language can be.Published to critical acclaim in 2009, the Historical Thesaurus of the Oxford English Dictionary is the first comprehensive thesaurus in the world to arrange words by meaning in order of first recorded use. Using its unique perspective on how the English language has developed, Words in Time and Place takes 15 themes and explores the language in these areas over time - explaining when new words appeared, where they came from, and what such changes say about times in which theyemerged. The themes chosen are varied, universal topics and show the semantic range of the thesaurus and what it can tell us about the words used in areas of everyday life. Learn about the different words for dying and money, or types of pop music, as well as words for a privy, oaths, and words for being drunk.Written by the world's leading expert on the English language, David Crystal, the book carries his trademark style of engaging yet authoritative writing. Each chapter features an introduction to the language of that topic, followed by a timeline of vocabulary taken from the historical thesaurus showing all the synonyms arranged in chronological order. The timelines are annotated with additional quotations, facts, and social and historical context to give a clear sense of how words entered theEnglish language, when, and in which context they were used.Words in Time and Place showcases the unique and excellent resource that is the Historical Thesaurus and reveals the linguistic treasures to be found within. This fascinating book will appeal to anyone with an interest in words and in the development of the English language.Pressestimmen"Drawing on the monumental "Historical Thesaurus of the Oxford English Dictionary," [Crystal] surveys the development of vocabulary relating to 15 different subjects. Word nerds will enjoy dipping into the sections on drunkenness, death and the lavatory." - The Wall Street Journal"The words historical thesaurus may send children running to the hills, for fear they're likely to be bored to death by some fellow with a monocle. But they also describe the richest reference you've probably never heard of... And now there's [Words in Time and Place] a new book designed to introduce the masses to a treasure the English professors have been hoarding for themselves since it was published in 2009." - Time.com"The exposition is classic Crystal, spare and charming, so the book will be accessible to a broad audience." --E. L. Battistella, Southern Oregon University, CHOICE"The exposition is classic Crystal, spare and charming, so the book will be accessible to a broad audience. For this reviewer, the special value of the work is that it encouraged jumping into the HTOED itself, which is endlessly rewarding... Highly recommended." --CHOICE "Drawing on the monumental "Historical Thesaurus of the Oxford English Dictionary," [Crystal] surveys the development of vocabulary relating to 15 different subjects.
