Thank you, Joseph Garlington!!!Von Ein KundeThis book teaches one that it is alright to enthusiastically worship the Lord, in song, in instrumental music, in dance! He uses Scripture to back up his text. This book is in my "top 10." It is a

"liberating" book. As I read it, I could hardly prevent my mouth from falling open every page! It is really ALRIGHT TO WORSHIP THE LORD ENTHUSIASTICALLY!!! God bless you, Joseph Garlington!!!0 von 0 Kunden fanden die folgende Rezension hilfreich. Powerful and full of insight. Von Rachel B. BaroneThis is a powerful look at how our worship directly relates to spiritual warfare and how God will train our hands to war. Great teaching book for worship leaders, intercessors, the entire church. We can have power in the natural realm by first winning the battle in the spiritual realm.
