Von Ron Rozelle : Write Great Fiction - Description Setting before purchasing it in order to gage whether or not it would be worth my time, and all praised Write Great Fiction - Description Setting:

KundenrezensionenHilfreichste Kundenrezensionen1 von 2 Kunden fanden die folgende Rezension hilfreich. Learning the CraftVon AlmostSwissAs with the other books in the Write Great Fiction series, this title is a great starting point for newcomers to writing - like I was when I bought Description Setting. Do not let the bad reviews put you off.This title teaches you some of the essentials of writing; showing vs telling and how to describe through narration and

dialogue. If you are new to writing and you want a book full of a diverse range of examples and some simple tips to get you on the way, you can't go wrong here. Obviously, if you want to really master the skills that this serves as a foundation for, you are going to have to move up to the next level after reading this and find information more specific to your chosen genre. But, as a starting place, a good choice. 4 von 5 Kunden fanden die folgende Rezension hilfreich. If you want to write well, you need this book! Von Tante Emma Having read dozens of writing books, this one was a true revelation. While other books just promise to tell you what to do and how, this book simply shows you. If you are a writer, you got to be familiar with the difference between showing and telling, and how showing enables readers to better connect to your story... This is a step-by-step guide HOW to write well, with exercises to and summaries of all chapters within the book. It's going to answer almost all of your questions - even some you've never thought of before: How can you make the reader actually feel your story - not just read it but live inside it? Where do you get your ideas from? Writing and Editing - in what order? Where is the difference between a mediocre story and a classic or a bestseller? What do you have to consider when making up your setting(s) and writing about them? Where is the difference between a bad and a brilliant description? Speaking of brilliance - this is the best adjective to describe the book in one word: Brilliant!

Kurzbeschreibung Build a Believable World How essential is setting to a story? How much description is too much? In what ways do details and setting tie into plot and character development? How can you use setting and description to add depth to your story? You can find all the answers you need in Write Great Fiction: Description Setting by author and instructor Ron Rozelle. This nuts-and-bolts guide - complete with practical exercises at the end of each chapter - gives you all the tips and techniques you need to: Establish a realistic sense of time and place Use description and setting to drive your story Craft effective description and setting for different genres Skillfully master showing vs. telling With dozens of excerpts from some of today's most popular writers, Write Great Fiction: Description Setting gives you all the information you need to create a sharp and believable world of people, places, events, and actions. Kurzbeschreibung Build a Believable World How essential is setting to a story? How much description is too much? In what ways do details and setting tie into plot and character development?
