Von Fredderiks(1) Der Autor gibt einige gute Tipps zum praktischen Umgang mit Ulysses frs Schreiben von Romanen. Da ich ein groer Markdown-Fan bin und die App sowohl auf dem Mac als auch auf dem iPad installiert habe, war ich natrlich interessiert. Sein Fokus ist vor allem wie Ulysses ihn im Workflow "Novel Writing" untersttzt. Das Buch ist deshalb auch nicht als Handbuch fr die App gedacht, wenngleich einige ntzliche Tipps enthalten sind.(2) Zur Verwendung der App finde ich die Hinweise (Tutorials) im Blog der Website von Ulysses sehr ntzlich (siehe "Tips Tricks"), dafr braucht man nicht unbedingt dieses Ebook.(3) Die App selber ist, wenn auch nicht ganz billig, ihren Preis wert und sehr zu empfehlen. Mein Kompliment an die Leipziger "Soulmen"-App-

Schmiede, die auf Rückfragen auch sehr prompt reagieren. Weiter so! 1 von 1 Kunden fanden die folgende Rezension hilfreich. Great and usefull book for a great App Von J. Geilich If you're searching for a good readable introduction to Ulysses, this nice little book is what you looking for. A professional in writing takes you on a trip from an empty blank page to a printing ready output by using one of the top writing apps in Apple's AppStore.

Kurzbeschreibung Ulysses is rapidly becoming one of the apps of choice for Mac-based novel writers. Best-selling novelist David Hewson, author of the ever-popular Writing A Novel with Scrivener, offers a professional insight into how to use this unique app for writing fiction. This ebook covers all the aspects of Ulysses a writer needs to master in order to produce a finished book, from initial planning through to completed ebook, Word file or PDFs for publication, reading and revision. You will learn how to use Ulysses to structure a book into parts and scenes, ways to manage research and ideas and how to develop a novel from a bare outline through to first draft and revisions. Hewson also describes how Ulysses stores work uniquely in its own library, enabling you to work on the same draft manuscript across different machines while on the move. For budding screenwriters there is a section on how to use Ulysses to produce scripts to professional formats that can be edited later in movie apps such as Final Draft. Now updated to cover the latest 2.5 release of Ulysses and the March release of a universal iOS app for iPads and iPhones, with a new extended iOS section. Previous buyers please note you will need to contact to get this free update since we can't push it to you directly. David Hewson (www.davidhewson.com) is the author of more than 25 novels published around the world. He adapted the award-winning TV series The Killing into acclaimed novel and recently launched a new crime series set in Amsterdam with The House of Dolls which has been optioned for Dutch TV.
