Von **Ted Kooser, Steve Cox** : **Writing Brave and Free: Encouraging Words for People Who Want to Start Writing (English Edition)** before purchasing it in order to gage whether or not it would be worth my time, and all praised **Writing Brave and Free: Encouraging Words for People Who Want to Start Writing (English Edition)**:

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. Fast delivery and in great conditionVon JackieFast delivery and in great condition. Just as was described online. I would buy from this provider again. Thank you.

KurzbeschreibungSometimes setting pen to paper requires bravery, and writing well means breaking free of the rules learned in school. Liberating and emboldening the beginning writer are the goals of Ted Kooser and Steve Cox in this spirited book of practical wisdom that brings to bear decades of invaluable experience in writing, teaching, editing, and publishing. Unlike how to write books that dwell on the angst and the agony of the trade, Writing Brave and Free is upbeat and accessible. The focus here is the work itself: how to get started and how to keep going, and never is heard a discouraging word such as no, not, or never. Because of the wealth of their experience, the authors can offer the sort of practical publishing advice that novices need and yet rarely find. Organized in brief, user-friendly chapterson everything from sensory details to a work environment, from creating suspense to revising and taking criticismthe book allows aspiring (and practicing) writers to dip in anywhere and find something of value.
