KurzbeschreibungWriting on Water is a treasure trove of spontaneous utterances, insights and drawings gathered over  
the past decade from Mooji's notebooks, private meetings, and Satsangs held around the world. It is an outpouring of  
creative joy from one of those rare beings gracing this planet who is not only awake, but is also able drive the mind  
back into its source through the authority of his words and presence.KurzbeschreibungWriting on Water is a treasure
