Kurzbeschreibung Yacht Charter Worldwide provides an inside look at what you need to know and what to pay attention to, before chartering a yacht. Each trip contains specific challenges for yacht and crew; each area is associated with different cost. How do you calculate the cost and how do you reliably book a yacht? Do you choose for bare boat, a yacht with a skipper or should you join a flotilla? This guide also takes a critical look at the pros and cons of Buy and Charter-concepts of yacht exploitation along with a detailed financial analysis. This guide provides answers for all relevant questions when preparing your vacation on board a charter yacht. A complete summary of tips and tricks shall protect you against unforeseen and unpleasant surprises with possibly serious consequences. It is a reliable and necessary guide for both new and experienced charter sailors.
