Von Sook Nyul Choi : Year of Impossible Goodbyes before purchasing it in order to gage whether or not it would be worth my time, and all praised Year of Impossible Goodbyes:

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. A good tale, but not one that I would read againVon Ein KundeYear of the Impossible Goodbyes accurately discribes what happend in Korea at the time. Yet, the book seemed to have something missing in my opinion. It told the story but I

never really got into it and felt the emotions for the most part. There were certain parts where I did, but most I didn't. I would read it if I hadn't already, but don't be ready for the best book you have ever read. If you want that, read NIGHT!
0 von 0 Kunden fanden die folgende Rezension hilfreich. One of THEE best... Von Ein Kunde
This book is one of the best books I have ever read, and believe me, I have read a LOT of books. This book is definitely worth reading. I cried at the end, likewise with "Echoes of the White Giraffe," the sequel to "Year of Impossible Goodbyes," just as good, if not better, as this book. I suggest you read this book!
0 von 0 Kunden fanden die folgende Rezension hilfreich. Excellent reading for youth or adults
Von Ein Kunde
While sold as a book for youth, this is an excellent book to help understand the impact of the Korean War on a young woman and on traditional Korean values. It also shows the ability of the Korean people to overcome adversity. Inspiring without too much sappiness.

Kurzbeschreibung
This autobiographical story tells of ten-year-old Sookan and her family's suffering and humiliation in Korea, first under Japanese rule and after the Russians invade, and of a harrowing escape to South Korea.
