Von Nadia Shireen : Yeti and the Bird before purchasing it in order to gage whether or not it would be worth my time, and all praised Yeti and the Bird:

Kundenrezensionen Hilfreichste Kundenrezensionen 0 von 0 Kunden fanden die folgende Rezension hilfreich. Anyone can have a friend Von Helpful Advice Yeti and the Bird, made by known author for children Nadia Shireen, brings a beautiful story for the youngest readers about the need that we all have the friends, even the monsters. A reader will meet the main character - the biggest, hairiest, scariest yeti anyone has ever seen - who lives deep in the forest. And our hero besides being so scary is also the loneliest monster all around. But one day everything will change when an unexpected guest will enter into Yeti's life. And what is the most unusual, this creature is not afraid of Yeti at all. And after confused Yeti will be able to finally accept that, it seems that the two of them can even become friends. I read both previous Nadia Shireen's books for children Hey, Presto and Good Little Wolf - and I love her, a bit different, distinctive style. With her third book seems she has done the best job, its well-made and charming children book with a beautiful message about the importance of friendship in the life of every creature. Combining authors simple artwork made in beautiful bright colors with few words on each spread, Nadia Shireen delivered an interesting story about friendship that we can find in the most unexpected places. Beside beautiful story and good lesson it brought, this

children book also emphasizes how easy is to judge others wrongly based on how they look or behave, without giving them a chance to get to know them. And that is not only a problem of children - the adults have even more situations where their prejudices prevent them from achieving the good relations with other people. Therefore, taking into account beautiful and inspiring story, charming illustrations and great lesson it brought, Yeti and the Bird is the picture book I can highly recommend for all the elements that make some children book well-made.

0 von 0 Kunden fanden die folgende Rezension hilfreich. Jeder kann einen Freund zu haben. Von Helpful Advice 'Yeti und das Bird', durch bekannte Autorin für Kinder Nadia Shireen hat, bringt eine schöne Geschichte für die jüngsten Leser über die Notwendigkeit, die wir alle haben die Freunde, auch die Monster. Die große, haarigste, gruseligste Yeti jemand je gesehen hat - -, die tief im Wald lebt ein Leser die Hauptfigur zu erfüllen. Und unser Held abgesehen davon, so bengstigend ist auch der einsamste Monster ringsum. Aber eines Tages wird sich alles ändern, wenn ein unerwarteter Gast wird in die Yeti Leben geben. Und was ist die ungewöhnlichste, diese Kreatur hat keine Angst vor Yeti überhaupt. Und nach verwirrt Yeti in der Lage sein, um endlich zu akzeptieren, dass es scheint, dass die zwei von ihnen können sogar Freunde geworden ... I Beide vorherigen Nadia Shireen-Bücher zu lesen für Kinder - "Hey, Presto 'und' Gut Little Wolf" - und ich liebe sie, ein bisschen anders, unverwechselbaren Stil. Mit scheint ihr drittes Buch hat sie den besten Job gemacht, es ist gut gemacht und charmante Kinder mit einer schönen Botschaft über die Bedeutung der Freundschaft im Leben jeder Kreatur zu buchen. Einfache Kunstwerk kombinieren Autoren in schönen hellen Farben mit wenigen Worten auf jeder Ausbreitung hergestellt, geliefert Nadia Shireen eine interessante Geschichte über Freundschaft, die wir in den ungewöhnlichsten Orten zu finden. Neben schönen Geschichte und gute Lektion brachte, betont dieses Kinderbuch auch, wie einfach ist es, andere zu Unrecht auf, wie sie aussehen oder verhalten basierend beurteilen, ohne ihnen eine Chance, sie kennen zu lernen. Und das ist nicht nur ein Problem der Kinder - die Erwachsenen noch Situationen, in denen ihre Vorurteile verhindern, dass sie die Erreichung der guten Beziehungen zu anderen Menschen. Daher unter Berücksichtigung schöne und inspirierende Geschichte, reizvolle Abbildungen und große Lehre brachte, "Yeti und das Bird" ist das Bilderbuch kann ich sehr empfehlen für alle Elemente, die einige Kinder Buch gut gemacht zu machen.

ORIGINAL REVIEW IN ENGLISH Yeti and the Bird, made by known author for children Nadia Shireen, brings a beautiful story for the youngest readers about the need that we all have the friends, even the monsters. A reader will meet the main character - the biggest, hairiest, scariest yeti anyone has ever seen - who lives deep in the forest. And our hero besides being so scary is also the loneliest monster all around. But one day everything will change when an unexpected guest will enter into Yeti's life. And what is the most unusual, this creature is not afraid of Yeti at all. And after confused Yeti will be able to finally accept that, it seems that the two of them can even become friends. I read both previous Nadia Shireen's books for children Hey, Presto and Good Little Wolf - and I love her, a bit different, distinctive style. With her third book seems she has done the best job, its well-made and charming children book with a beautiful message about the importance of friendship in the life of every creature. Combining authors simple artwork made in beautiful bright colors with few words on each spread, Nadia Shireen delivered an interesting story about friendship that we can find in the most unexpected places. Beside beautiful story and good lesson it brought, this children book also emphasizes how easy is to judge others wrongly based on how they look or behave, without giving them a chance to get to know them. And that is not only a problem of children - the adults have even more situations where their prejudices prevent them from achieving the good relations with other people. Therefore, taking into account beautiful and inspiring story, charming illustrations and great lesson it brought, Yeti and the Bird is the picture book I can highly recommend for all the elements that make some children book well-made.

Kurzbeschreibung Yeti lives alone in a wintery landscape. Well, maybe not quite alone, but no one is brave enough to go near big, scary Yeti. No one apart from Bird, who gets lost on her way south, makes a special friend, and opens up a whole new world for our Yeti. A funny, brilliantly original book from Nadia Shireen - winner of the UKLA Book Award, shortlisted for the Roald Dahl Funny Prize and the Waterstones Children's Book Prize, and mentioned in the Opera Prima category of the international Bologna Ragazzi Prize.

Pressestimmen "This lovely picture book about friendship is full of character and humour. Award-winning picture book creator Nadia Shireen combines beautifully-designed page spreads, glorious illustrations of forest scenes, and lots of appealing animal characters. The lonely Yeti is an especially brilliant character, and one which is certain to capture children's hearts." (Booktrust) "A touching and gentle story about the value of friendship. Stunning illustrations are full of delightful touches and I enjoyed the elements of humour such as Bird's suitcase." (Parents in Touch website) "This is a touching story of an unlikely friendship that has such a beautiful end ... that it gladdens the heart to think that even the grumpiest of the grumps would read this and feel a little tingle of hope that somewhere out there, there truly is a friend for everyone." (Read It Daddy blog) "What a delightful, warm and quirky story - just what we've come to expect from the creator of Good Little Wolf. This is a wonderful story about seeing beyond our differences that could get children discussing what is important in friendship, as well as how being excluded from groups can make them feel." (ReadingZone website) "Lovely illustrations in this picture book ... 10/10" (chopsybaby.com)
