Von Anthony Davis : Yo, Little Brother . . . : Basic Rules of Survival for Young African American Males: Basic Rules of Survival for Young African-American Males before purchasing it in order to gage whether or not it would be worth my time, and all praised Yo, Little Brother . . . : Basic Rules of Survival for Young African American Males:

Basic Rules of Survival for Young African-American Males:

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. A great read if you want to help your adolescent son grow. Von Ein KundeI purchased the book for my adolescent son to read. My hope was that he might find some helpful hints on how to deal with his everyday life situations. What I found was an opportunity to communicate with him in a way that had here-to-fore been impossible. We began to really talk to each other about life and death, about different situations he would face in the world, in this country, in the neighborhood and in the home. We talked about how his responses to them would determine the kind of man he would become, the kind of life he would live. The book poses many real life situations that young Black men are faced with. It shows them the right answer to them, the right way to go. The authors must have drawn from many of their own experiences - the examples are on the money! I would strongly urge any parent, White or Black, who has an adolescent male in the house to buy this book and read it together.

KurzbeschreibungAdvice to help guide the African-American male and increase his chance of success in today's society.
