**Von Jennifer E. Smith : You Are Here (English Edition)** before purchasing it in order to gage whether or not it would be worth my time, and all praised You Are Here (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen4 von 4 Kunden fanden die folgende Rezension hilfreich. Courtesy of Teens Read TooVon TeensReadTooEmma has never felt a part of her family. Her parents, professors at a local college, and her much older siblings are always discussing poetry, philosophy, or topics important to the world. She is more interested in the here and now, not in deep intellectual thoughts.Her feelings of not fitting in are dramatically

increased the day she stumbles across the birth certificate of a twin brother she never knew she had. When she also discovers his death certificate tucked away in the same box in the attic, she can't believe that no one ever told her. Turning 17 in less than a week, Emma decides to get her older brother to take her to his apartment in New York City. Once she gets there, her real plan is to "borrow" his car and travel to North Carolina to visit her twin's grave. When the car gives out at a rest stop along the New Jersey turnpike, she calls her neighbor, Peter Finnegan, another soon-to-be 17-year-old. Peter is dealing with his own personal conflicts. He has grown up with just his father since his mother died shortly after his birth. Lately, his frustration with his silent and often absent father, and the desire to leave town and see the world, are almost more than he can tolerate. When he gets Emma's call for help, he sees it as the perfect opportunity to hit the road, see some of the sights he's dreamed of, and also spend time with a girl he realizes he's had a crush on for quite some time. Together, the two loners begin a journey that will change them both. Not only do the teens come to know one another better, but their families also begin to recognize the ways they could be more present and supportive. *YOU ARE HERE* is a carefully crafted story about families and relationships and the secrets that complicate them. Author Jennifer E. Smith has created an intricately layered cast of characters that give readers a peek into the various ways that humans handle tragedy and conflict. Smith's depth and sensitivity make *YOU ARE HERE* a must-read. Reviewed by: Sally Kruger, aka "Readingjunkie"

Kurzbeschreibung Emma Healy has grown used to being the only ordinary one in her rather extraordinary family. But when she finds a birth certificate for a twin brother she never knew she had, along with a death certificate dated just two days later, she realizes why she never felt quite whole. She sets off on a trip to visit her brother's grave. Peter Finnegan, her neighbor, comes along for the ride. Emma thinks they can't possibly have anything in common, but with each passing mile, they find themselves learning more and more about themselves and each other. Pressestimmen "A unique voice, comic and moving." -- Jacquelyn Mitchard, author of *All We Know of Heaven and The Deep End of the Ocean* "You Are Here doesn't just take you on a memorable road trip, it takes you on a journey of the heart." -- Lisa Schroeder, author of *I Heart You, You Haunt Me* "You Are Here is a thoughtful, sensitive story of self-discovery." -- Deb Caletti, author of *Honey, Baby, Sweetheart and Wild Roses* Pressestimmen "A unique voice, comic and moving." -- Jacquelyn Mitchard, author of *All We Know of Heaven and The Deep End of the Ocean* "You Are Here doesn't just take you on a memorable road trip, it takes you on a journey of the heart." -- Lisa Schroeder, author of *I Heart You, You Haunt Me* "You Are Here is a thoughtful, sensitive story of self-discovery." -- Deb Caletti, author of *Honey, Baby, Sweetheart and Wild Roses*
