**Von Su Box : You Are Very Special** before purchasing it in order to gage whether or not it would be worth my time, and all praised You Are Very Special:

KurzbeschreibungThis charming picture book helps even the youngest of children learn to value him- or herself, and to realise that each and every person is unique and special. Simple text and lively illustrations help to open the reader's eyes to their own personality, their value as an individual and their importance as a part of creation. The surprise ending - a mirror in which children can identify themselves - will help little children put the life-affirming message of this book firmly into place.PressestimmenLet your child know how unique he or she is with this wonderful celebration of human beings. Cheerful, friendly characters deliver a universal message of love... Books for Children 20000301KurzbeschreibungThis charming picture book helps even the youngest of children learn to value him- or herself, and to realise that each and every person is unique and special.
