Courtesy of Teens Read TooVon TeensReadTooGold Star Award Winner!Three unique girls find themselves going to the same college and meet during Rush Week. Roni wants to leave the society world behind. Jenna wants to put the "Sick Jenna" image behind her forever. Lora-Leigh can't wait to get into FIT, but she's promised her parents she'll spend one year at LU.Together, they brave the introductions to the different houses and share their dreams and disappointments.

Each has her own reason for rushing, for looking at different houses. As the week continues and they become closer, they must ask themselves a key question. Now that they've met - do they really want to part? Will they be accepted into the houses of their dreams, or will their college social life be forever ruined? I loved this book and can't wait to read the next one. It stands out in my mind for two reasons: because it's targeting older teens and also because the main characters are normal girls. It's written by Marley Gibson (Kate Harmon = pen name) and she's part of the Books, Boys, and Buzz blog, home to several great authors. Reviewed by: Jennifer Rummel

Kurzbeschreibung High school is already a distant memory for incoming Latimer University freshmen Jenna, Roni, and Lora-Leigh. Jenna can't wait to meet cute college boys, Roni can't wait to get away from home, and Lora-Leigh . . . well, Lora-Leigh couldn't care less. She's going to LU only because her parents are making her, just like she's participating in sorority Rush only to appease her mom. Sorority girls are pretty, rich, and snotty, and Lora-Leigh doesn't want to be one of those girls. So she's shocked to find herself actually connecting with the sisters of Zeta Zeta Tau. And her Rush group friend Jenna can relate. She Rushed only because her roommate begged her to, but now she can't decide which sorority to join; she likes them all! Roni, on the other hand, knows which sorority she should join, but Roni came to LU to reinvent herself. As Rush progresses and the girls prepare to make big decisions, they'll need to heed the best advice there is: follow your heart. Now where will it lead? From Publishers Weekly Three likable college freshmen navigate the ups and downs of sorority rush. Starting at Florida's Latimer University are Veronica (Roni), the rich Bostonian who turned down Harvard in order to blend in with the everyday kids; Lora-Leigh, the free-spirit fashion designer forced by her overprotective parents to attend college in her hometown; and Jenna, the Atlanta-born good girl who adores her family. The girls, who share the same dorm, bond immediately, though it's unclear what connects them at first beyond being cute and nice. Everything is actually a bit too cute and nice in Harmon's Disneyfied world; the friends adjust swiftly and easily to college and each immediately meets a hot guy. And while the girls' excitement over choosing the "right" sorority is palpable, the author makes the choice seem like a life-or-death decision. About to learn what house she'll belong to, "Roni was about to have a major organ breakdown.... Lungs collapsing. Brain aneurism. Heart attack." Even for beach reading, this is lite. Ages 12-up.
